Mr.Brown, You will find me QUITE unforgiving with those who waste my valuable time! Does your client realize what it is he's asking? And how expensive it will be? I've just refused a contract from a Prince of the Zauti Royal Family on this one! This is BIG!
My client understands FULLY the expenses involved...And is serious!
REALLY? 3 nights at my island "resort" with full use of facilities? And just the costs of the kidnapping alone.. Of the most protected little cunt on Earth? This will take some DOING!
A million cash now, 20 mil on delivery in a Cayman Islands bank account. And he wants her for a week.
Accept my apologies for being so HARSH! I get far too many wanna-bees here...
Think nothing of it! we understand! NOW.... The tour ends on the 28th in Miami, which puts our little prize in the perfect position! He wants her just as she comes offstage..and clothed, please! Untouched and unharmed, except for what is required to capture and restrain her! He wants her in the stone dungeon first!
Absolutely, Mr. Brown... I will see to the arrangements personally!

Tell your client to have his keycard ready at the heliport in Miami, right after the show the 28th...
..where my chopper will pick him up and fly him to the Island for his little rendezvous...Do NOT lose this! You would regret it!
I understand!
MIAMI...28th of March
